

CARE . TRUST . RESPONSIBILITY

CB-410

MADE FOR HEAVY DUTY USE IN CHECKOUT

The CB-410 Cash Drawer from Partner Tech is manufactured for heavy duty and prolonged operational life. Due to adjustable arrangement of 8 coin and 4 compartments, all typical requirements can be met. Its robust latch mechanism and a proven lock assembly offers a high degree of security.

The CB-410 will provide years of smooth, troublefree service with virtually no downtime and no service required. The cash drawer is available in black and cool white color.

SPECIAL FEATURES

- High quality, heavy duty design
- Epson compatible soleonid
- Lockable cover for tray
- Media slot
- Micro switch sensor

OPTIONAL

- RS232 or USB Interface

CB-410
